SkyLinkPro

SOFTWARE FEE

Standard Software Compliance Fee:
$5/month per Ingenico terminal.
$7/month per SUNMI terminal.

Tier pricing and previous software arrangements will be honoured.

SKYLINK PRO

Our exclusive POS integration protocol, designed to connect electronic payment terminals with retail POS systems and cash registers. Supports flexible connectivity through USB, Ethernet, or WiFi when the POS and payment application operate on the same terminal.

Prices are subject to change without notice. We continuously review pricing to provide you with the best possible value. Please contact sales@skyzer.co.nz for the latest pricing and promotions.
