As you are aware, Skyzer has made changes to the IKR Update. The terminal will now print confirmation receipts as follows. Refer to 3/3 for PINPad

1 - The IKR application is checking the validity of the certificates

2 - The PINPad Certificate has just been renewed

3 - The Certification has **NOT** been renewed. **SWAP THE PINPAD OUT AND RETURN TO SKYZER**

**Renewal Successful**

 No Further action
